June, 2010

Dear Downtown Little School Applicant,

The Downtown Little School offers financial assistance in the form of tuition grants to a limited number of qualified families. Families apply for financial aid by filling out a standard Parent Financial Statement (PFS) via the School and Student Service for Financial Aid (SSS).

Online PFS forms are available via SSS Online at sss.nais.org. ***Be sure you are filling out a form for the 2011-12 school year.*** Forms for 2011-12 usually are accepted beginning in November 2010.

Once at the SSS home page, follow the links for parents applying for aid, and “Start a New PFS.” ***The Downtown Little School’s school code is 2584.*** The SSS fee for filling out a PFS is about \$22.00 and is nonrefundable.

Families who complete their PFS form by December 17, 2010 will be given first consideration for financial assistance. Families completing applications after that deadline will be considered for financial assistance as funding allows.

Families who complete their PFS by December 17, 2010 will be notified of financial aid awards in the admissions letters that will be mailed in early March 2011.

Please let us know if you plan on applying for financial aid so that we can be sure that your information is processed and that we receive your report from SSS.

Please feel free to contact us if you have any questions.

Sincerely,
